

# AFGHANISTAN KOSOVO • IRAQ

## Three nations.

Three nations where war has shaken Muslims to their foundations.

Three nations where GAP Teams have helped build a new foundation - upon Jesus Christ.

You won't need a seminary degree. Leave your Strong's Concordance at home. We're going to work. You may want to invest in some boots...this could get messy.

Individuals with a variety of different skills are needed to serve in Iraq now. You could be one of the first 100 workers being sent

between now and Dec. 2004 to begin development of a country in desperate need. Term of service can vary from six months to a year. Of course, if you want to stay longer...

God is calling churches to send GAP Teams, and other individuals are joining them.

**IF YOU LOVE GOD WITH ALL YOUR HEART AND WILL LOVE IRAQIS AS YOURSELF, CALL 1-800-462-8436... WE'LL SEND YOU OUR NEW VIDEO, PEACEMAKERS: BRIDGING THE GAP IN IRAQ.**

**HURRY-THIS OPEN DOOR MAY BE CLOSING FAST.**
